BABY WALKER

No. 641

Mahogany Finish, Springs,

Leather Straps, Wooden Casters

BABY WALKER

No. 642

These Baby Walkers have two iron rods in addition to the four wooden standards, which makes them very substantial.

Where the Baby Walkers are shipped knocked down, these rods make it easier to set them up, as no glue is required.

The rods have a screw point and can be screwed on with a screw driver.

Shipped knocked down or set up. Mahogany Finish. Springs. Leather straps and wooden casters.

SPECIAL NOTICE

All orders are taken subject to our ability to procure labor, lumber, leather and other materials, or fuel, necessary to manufacture the goods.

We do not assume any responsibility for the safe transportation of any of our goods. Our responsibility ceases when goods are delivered by us to transportation company.

SHORTAGE AND BREAKAGE

If all the goods charged on the invoice are not delivered to you, give the transportation company a receipt for only what you do receive, and advise us at once of the shortage, and we will trace shipment at once.

If goods are damaged in transit, get your freight agent to note the extent of the damage on the freight bill, when you receipt for them; you will then have no trouble in having your claim recognized by the transportation company.

TERMS

Our terms are net, 30 days from date of invoice, 2 per cent off for cash in ten days. All accounts due are subject to sight draft without notice. F. O. B. Gardner

REPAIRS

When ordering repair stock, please state explicitly just what is desired, and for which side of chair, RIGHT or LEFT as you sit in chair; also state what finish is required.
